### RULES OF INTEREST:

1. All teams will hit their own softballs. Balls must be ASA approved, 12 inch, .52 cor and be 300 pounds compression.
2. The mat will be used in all games to call balls and strikes. If any part of the ball hits the plate or the mat, it is a strike. All batters will start with a 1 and 1 count.
3. **All balls hit over the fence after the homerun limit will result in an out.**
4. Teams must have 8 players to start the game, 4 females and 4 males.
5. The batting order must alternate male and female or vice versa. Teams cannot have 6 or more males playing at one time.
6. There is a 5-minute grace period before the start of each game to field 8 players. Failure to do so will result in a forfeit.
7. If a team forfeits twice, their status will be reviewed by the League Director and the team may be suspended from the league.
8. We recommend each team have matching shirts with numbers.
9. **No swearing.** The first offense will be a team warning; the second offense will be an ejection from the game.
10. Teams can start with one more male than female. The 10 batter will result in an out.
11. With less than 2 outs, after every base on balls to a male batter, the male batter receives a 2nd base award and the female batter must bat. When there are 2 outs, the female has the option of taking the at-bat or taking a walk and the male receives a 2 base award.
12. When a female is at-bat, all outfielders must position themselves beyond the 185' arc until the ball is hit. This should be an honor call by the players, since it is difficult for the umpire to see it.
13. Each team must provide two players to umpire when noted on the umpire schedule. Failure to provide an umpire will result in a \$25.00 fine. An umpire schedule will be passed out with the game schedules.
14. Run Rule: 15 after 4 innings, 10 after 5 innings
15. Time Limit: No inning will start after 55 minutes for regular season.
16. A full game is considered 7 innings.
17. **ASA Approved bats only.**
