NEWSLETTER
MARCH 2026

As we March into this month, we are thrilled to embrace the excitement of March Madness, the arrival of the first day of spring, and the joy of St. Patrick's Day!

March Madness, brings excitement to our community with both girls' and boys' state basketball as well as the thrill of men's college teams. It's fun to cheer on your favorite teams, track their progress, and compare them to your ideal bracket.

First Day of Spring, is the perfect time to focus on your fitness, nutrition, and better habits. Celebrate by attending a fitness class, taking walks outdoors or on the PCC walking track, and considering starting a weights training regimen. These are great steps toward a better you.

During your lunch breaks, include healthy snacks like fresh fruit and vegetables.

March is the perfect time to outline your personal fitness challenge to promote physical activity and create a plan that fits your lifestyle.

The name of our new scrubber is **FLEX!**
