Planning and Zoning Commission Vacancy

Due to a recent vacancy, the City of Peosta has an opening on our Planning and Zoning Commission.

The city has basic requirements for membership on the commission, that include 4 of the 5 members be a resident of Peosta. The additional member of the commission may be a resident of the area outside the city over which the zoning jurisdiction of the city has been extended. This area is a 2-mile perimeter.

Responsibilities vary from reviewing preliminary and finals plats, rezoning requests to ensure that the city is adhering to our Comprehensive and future land plans. You need not have

any experience in these areas as there are seasoned members and staff that will guide you through each issue that is brought before the commission. The mayor will appoint the most qualified individual to complete the vacancies term, which is effective now and ends April 1, 2027.

This is an exciting time for the City of Peosta with the rapid growth of both residential and commercial development for you to become involved with the city, so give me a call at 563-556-8755 (extension 100) if you're interested in learning more or would like to be considered for an appointment to the commission.

Sincerely,

Annette Ernst
City Administrator
